FROM COMCAST

ABOUT INTERNET ESSENTIALS

Internet Essentials is a free program that provides low-income households with the tools and resources they need to get online. This includes a computer, internet service, and digital literacy training. The program is available in many communities across the United States.

SPONSORED SERVICE & HOW IT WORKS

Internet Essentials provides a sponsored service that includes a computer, internet service, and digital literacy training. This service is available to eligible households at no cost. The program is designed to help low-income households get online and use the internet to improve their lives.
